 Columbia, MD

Purpose-Driven Software Engineer with a background in healthcare and customer service. Passionate about creating high-quality web applications while utilizing Object-Oriented Programming and agile development.

SKILLS

Languages | JavaScript, HTML, CSS, Python
Database | PostgreSQL, MongoDB, Mongoose

Frameworks | React, Node.js, Express.js, Bootstrap
Other | Data Structures & Algorithm, Git, MVC, RESTful Routing JSON

PROJECTS

Keita's Beauty - Django Restframework, PostgreSQL, ReactJs, Redux, HTML, CSS, Bootstrap

- Designed Restful APIs and CRUD methodology to build a user-friendly e-commerce web app.
- Utilized redux state management to handle cart functionality and manage state throughout the application.

Plant House Haven - MongoDB, Express, ReactJs, NodeJs, HTML, CSS

- Provided create functionality to allow users to update seed data.
- Contributed by creating product data schemas and configuring the database.

Empire Homes - ReactJs, Javascript, HTML, CSS

- Developed a dynamic real estate web application utilizing search filtering and geolocation.

Trivia - Javascript, HTML, CSS

EXPERIENCE

General Assembly, Remote | Software Engineering Fellow

11/2021 - 02/2022

12 week, 500 hour intensive software engineer immersive aimed at building industry skills for development of full-stack applications with Javascript, React, Express, Python, SQL, and MongoDB as well as providing understanding of computer science fundamentals, algorithms, and data structures through project development.

Irv Schindler, DDS | Dental Assistant

01/2021 - 05/2021

Columbia, MD

Prepared up to 10 patients daily to undergo dental procedures and assisted the dentist with sterilizing instruments, setting up instrument trays, and preparing materials. Reduced average patient wait times by 15 minutes to increase operational efficiencies and improve the patient experience by 73%.

Kanter Dental, DDS | Dental Assistant

01/2021 - 05/2021

Ellicott City, MD

Conducted routine x-rays imaging for 1000+ active patients, instructing patients to ensure high-resolution images. Oversaw patients records,

EDUCATION

Software Engineering Immersive

11/2021 - 02/2022

General Assembly - Remote

Learn and build original code and showcase expertise through comprehensive portfolio projects utilizing CRUD functionalities, Object Oriented Design, and test-driven programming.

Certificate in Dental Assisting and Radiology

05/2019 - 08/2019

Anne Arundel Community College, Arnold, MD
